LOCAL INSPIRATION

Spotlight on...

Billy, 26, Rochford, Essex

Billy talks about why keeping active with a long-term health condition is so important and what matters to him when it comes to being healthy.

“

I live with a long-term condition called Fibromyalgia and being active allows me to stay healthy and well, regardless of the fact at times my condition can be hard to manage. I have found various ways to help cope and manage with my daily symptoms and pain.

I like participating in events and campaigns that keep me motivated to keep active, and I also like the influence this has on helping other people to be active

MY HEALTH MATTERS BECAUSE...

We would like to raise awareness of local people across communities in mid and south Essex taking control of their health and wellbeing in different ways.

We're interested in ways people are connecting with local areas, certain tools or resources to support their wellbeing.

By sharing their stories, we hope to inspire and empower others to do the same.

If you have a story to share please contact us by emailing meccg.essex.incident.comms@nhs.net with 'My Health Matters campaign' in the subject line or get involved by using the hashtag [#MyHealthMattersMSE](https://twitter.com/MyHealthMattersMSE) on social media.

You can also use this form by visiting: bit.ly/mhmsubmission to submit a case study if you are interested in taking part and being a featured case study in future.

More information is available by visiting 111.nhs.uk online.

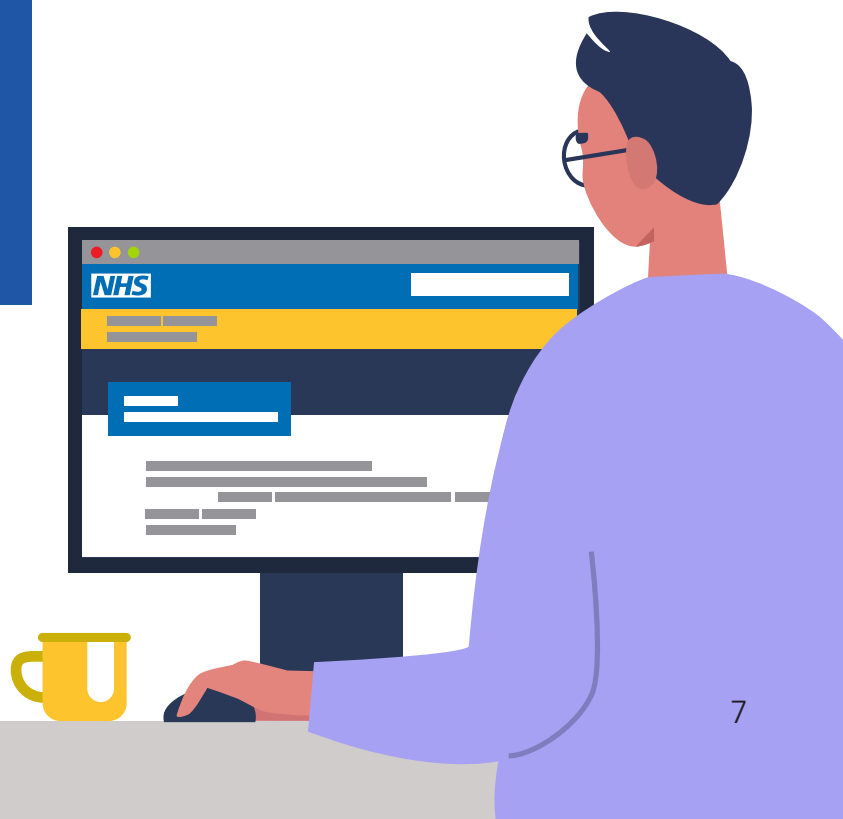

The 111 online service asks questions about your symptoms to help you get the help you need.

You can also **dial 111** on your phone if you cannot get the help you need online.

NEED HELP ACCESSING ONLINE RESOURCES?

If you need support with accessing online resources, why not ask a friend or a member of the family to help you?

You can also get practical advice from local organisations (see page 12) or social prescribers (see page 10).

KEEP ACTIVE FOR BETTER HEALTH

Many of us have had to spend more time at home which can make it harder to keep active. However, it's important to continue to do what you can to help with your physical and mental health.

Active Essex is the Sport and Physical Activity Partnership for Greater Essex. They have lots of resources and tools to help people to keep active, including from home.

SUPPORT IN YOUR LOCAL COMMUNITY

TREAT MINOR HEALTH CONDITIONS

Local pharmacists are experts in minor health conditions and medicines. They can help answer questions about your prescriptions, offer clinical advice and over-the-counter medicines for a range of minor illnesses.

For more information about certain medicines, search 'medicine cabinet' on www.nhs.uk

DENTAL PROBLEMS

You can find a local dentist by visiting www.nhs.uk/service-search/find-a-dentist.

Use NHS 111 online (111.nhs.uk) if you do not have a dentist and you need urgent dental treatment.

MINOR EYE AND VISION PROBLEMS

If you have any eye or vision concerns, please visit your local optician.

Visit www.nhs.uk and search "Find an optician near you".

Your optician may refer you to the Minor Eye Conditions Service (MECS) if you have eye pain, sudden loss of vision, foreign bodies, lid problems or flashes and floaters.

PRACTICAL AND EMOTIONAL SUPPORT

Social prescribers (or link workers) are now available at many GP practices locally. They can help connect you and your family to specialist organisations across Essex.

Social prescribers focus on what matters to people and take a holistic approach to a person's health and wellbeing.

They connect people to community groups and statutory services for practical and emotional support. You can find out more by contacting the local social prescribing services detailed on the opposite page or via your GP practice.

LIVE WELL LINK WELL

Live Well Link Well is a free and confidential social prescribing service in Essex that provides practical or emotional support of a non-medical nature. If you are living in Essex and are aged over 18, you can contact the service directly without having to go through your GP.

GET HELP WHEN YOU NEED IT

While everyone is being told to stay at home, it can be hard to know what to do if you're unwell.

- Speak to a local pharmacist – for help with minor health conditions. You can find a local pharmacy online by visiting www.nhs.uk/service-search/pharmacy/find-a-pharmacy
- For help from a GP – use your GP surgery's website, use an online service or app, or call the surgery
- For urgent medical help – use the NHS 111 online service by visiting 111.nhs.uk online or call **111** if you're unable to get help online
- For life-threatening emergencies – call **999** for an ambulance.

If you're advised to go to hospital, it's important to go.

Visit: www.nhs.uk

WORRIED ABOUT SYMPTOMS THAT YOU THINK COULD BE CANCER?

If you are experiencing any symptoms that aren't normal for you and you're worried, it's really important to speak to your GP as soon as possible.

Chances are that it isn't cancer, but finding cancer early improves your chances of successful treatment.

Local health organisations enlisted the help of doctors across Essex to explain how to recognise and identify the signs and symptoms of some of the most common cancers.

Visit: www.msehealthandcarepartnership.co.uk/clear-on-cancer

Please also remember to continue attending important appointments for cancer, such as screening appointments and those that are used to diagnose or treat cancer.
